

DATA RECTIFICATION REQUEST ('DRR') FORM

FOR COMPLIANCE WITH GDPR (MAINLY ARTICLE 5, 12, 16 & 19)

1. Data Rectification Requests (DRRs) can be made for or on behalf of a Data Subject (**You**) to a Data Controller (i.e. a person/entity who You reasonably believe is processing personal data belonging to You).
2. Subject to certain exceptions, DRRs allow You to request rectification of inaccurate or incomplete Personal Data. Each request must be made on a case-by-case basis, and in some cases (such as historical recorded opinions or mistakes), the Personal Data as such may not be amended, but You will be granted an opportunity to insert a clarification for the record, allowing the Personal Data to be read in an accurate and complete manner.
3. Data Protection legislation caters for limitations and exceptions to the Right of Rectification. Prior to any rectification resulting from an DRR the Controller must evaluate whether any such limitation or exception applies. Where exceptions are deemed to apply, You will be informed.
4. The DRR is at no cost to You. However, where DRRs are manifestly unfounded or excessive the Controller has an option to charge a reasonable fee or refuse to act upon the request.
5. The Data Controller may request You to provide information to verify his/her identity.
6. The Data Controller may request You to provide more granular information to facilitate the sourcing of personal data which You believe may be processed by the Data Controller.
7. A Data Controller must provide information on action taken on a request to You without undue delay and in any event within one (1) month of receipt of the request. This may be extended for a further two (2) months where necessary – in which case You will be informed.
8. You have the right to lodge a complaint with the supervisory authority.
